

## **Raja Rogers' Domain Meeting Notes**

### **October 4, 2005**

9 Days of Mother Divine started today – focus on program, rest, good diet during this time. This will create a foundation for the rest of the year.

RC or WPA - If you have a RC or WPA, the facility should have good Vastu.

Income sharing plan okayed by Raja Rogers – If you send someone to another Center to participate in a program, you enter the income in your NetSuite account and you share a proportionate amount of the expenses.

Salary policy – Raja Rogers will clarify at the next meeting.

Peace Palaces - Raja Wynne's steel modular buildings are \$90/sq ft without foundation, heating, electric, plumbing. When add these in, price would increase by at least  $\frac{1}{2}$  -  $\frac{1}{3}$ . By next week, we should have plans for the steel buildings, foundation plans and HVAC plans.

Peggy Palms raised the idea of sharing the cost domain-wide of all preliminary plans for building Peace Palaces (not using the steel buildings). Peter Mullins estimates the cost to be \$80,000. This proposal will be considered. Raja Rogers said that speed is the main thing for building Peace Palaces and also, don't let price get out of hand.

Victory Day – October 12 – It does not seem like there will be a Muhurt on Victory Day because the celebration is global and will be going on at different times all over the world. Invite the mayor of your city. One 5' x 3' flag will be sent to each Recertified Governor. It will arrive on October 12. If you want some smaller Tyvek flags at \$2 each, send your order to Elaine at [epomfrey@yahoo.com](mailto:epomfrey@yahoo.com). MUM press is making the smaller Tyvek flags.

Meeting Notes - Elaine will take notes on Tuesday meetings. Laura will take notes on Friday meetings. Then Charlie will post on domain website.

(This week the notes are brief and not complete as the note taker started taking notes just half way through the meeting.)
